

He never stopped fighting for what he believed in and what he knew was right for his district, his State, or for the American people. In his long career, he guided the passage of dozens of landmark laws and shaped the transportation policy of our country for the better, creating an infrastructure system that is more efficient, more sustainable, and safer than before Jim entered politics.

He was an incredible cyclist, a skilled and passionate legislator, and a good friend. I pleased that H.R. 4926 will literally cement his legacy.

RECOGNIZING THE WORK OF ALARM (THE AFRICAN LEADERSHIP AND RECONCILIATION MINISTRIES) ON THEIR 20TH ANNIVERSARY

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 10, 2014

Mr. ADERHOLT. Mr. Speaker, I want to recognize the work of ALARM (the African Leadership and Reconciliation Ministries) on their 20th anniversary, and especially, the President and Founder of the organization, Dr. Celestin Musekura, an ordained Baptist minister who was born and raised in Rwanda.

It is important to note that ALARM works to strengthen the church in Africa to be an instrument of change in the community by focusing on three areas: developing servant leaders, reconciling relationships, and transforming communities. ALARM is made up of three charitable organizations: 1) ALARM-Africa, which has offices in eight countries; 2) ALARM-UK; and 3) ALARM-USA.

ALARM-Africa was founded after civil wars and political violence in Rwanda, Burundi, Congo, northern Uganda, and southern Sudan left a vacuum of leadership in Christian

churches. These churches, once led primarily by western missionaries who were forced to flee due to the violence, needed leadership from within their own countries. These leaders needed to be trained in guiding, teaching, forgiving and reconciling, to bring healing and transformation to their communities.

In the aftermath of these crises, Dr. Musekura and his wife, Bernadette, felt called to help fill this void and to help train others in the ministry. They founded ALARM and continue to dedicate their lives to it.

Dr. Musekura received a Bachelor of Theology at Kenya Highlands Evangelical University in Kenya, a Master of Divinity at the Africa International University (AIU) in Kenya, a Master of Sacred Theology at Dallas Theological Seminary, a Master of Science in Justice Administration and Leadership at the University of Texas at Dallas, and a Ph.D. in theological studies at Dallas Theological Seminary in Dallas, Texas.

ALARM-Africa uses curriculum, most of which is internally developed, to equip untrained church and community leaders and reconcile hurting communities.

Since its founding in 1994, ALARM-Africa has expanded into eight countries across east and central Africa (Burundi, Democratic Republic of Congo, Kenya, Rwanda, South Sudan, Sudan, Tanzania, and Uganda) with its head office in Nairobi, Kenya. All offices are staffed by well-trained, professional African men and women who act as local missionaries to their people.

I would like to congratulate ALARM and Dr. Celestin Musekura on the occasion of this anniversary and for their dedication to this important work.

HONORING THE TOWN OF ELIZABETH, MISSISSIPPI

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 10, 2014

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor the remarkable town of Elizabeth, Mississippi.

The town of Elizabeth, Mississippi is located on U.S. Highway 61, approximately 1 mile north of Leland and 2 miles east of Stoneville. In March 1889, a deed was issued to Mr. Joshua Skinner for a railroad depot in the area. At the time, the place was named "Athol", but it was later changed to its current name "Elizabeth".

In 1889, Elizabeth was advertised as "a new town with an unparalleled future, located in the heart of the famous Yazoo Delta . . . the richest and most fertile section of the earth where king cotton reigns supreme." Elizabeth had the unique distinction of being located at the crossroads of the first two main railroads in the Delta: the Louisville, New Orleans, and Texas RR (which later became the Illinois Central RR) and the Georgia Pacific RR (which eventually became the Columbus and Greenville RR).

The town of Elizabeth was designed along the west and south sides of both railroads. Elizabeth emerged early on as a mercantile city, with numerous businesses started up due to the existence of the rail lines. The town can no longer boast a commercial center. Leland has taken that role. However, it does retain its identity as Elizabeth. It boasts a modest population of nearly 200 people and a beautiful roadside park. In 2013, DuPont Pioneer opened a new 30,000 square foot research center near Elizabeth that focuses on soybean breeding and product development as well as corn product testing and characterization for farmers in the Delta.

Mr. Speaker, I ask my colleagues to join me in recognizing the Town of Elizabeth for its dedication to serving others.
